Instantly Vane - An IM Interview With Eric Poon

Posted: Monday, March 05, 2007

Debonairmag(4:04:02 PM): Since we last met, Vane has started an accessories line. We notice a mix of religious symbolism in your jewelry, is there a meaning behind it?

wearevane (4:05:19 PM): Yea, we try and incorporate meaning behind everything we do. The jewelry piece is a fusion of the big 3, Christianity, Judaism, and Islam, with an engraving on the side that reads "we are all vane"

wearevane (4:06:00 PM): The piece is called "god is vane," and it's a commentary on all the religious strife. In the end, we felt like people are fighting over semantics

Debonairmag(4:06:17 PM): Are you worried about/trying to offend anyone?

wearevane (4:06:54 PM): lol. We aren't consciously trying to offend anyone.
